Individual Written Notice of Financial Assistance

It is the policy of City of McMinnville Ambulance Service that no person will be denied needed emergency medical care because of an inability to pay for such services.

Our practice abides by the contractual and legal obligations of health benefit plans to collect charges, co-pays, co-insurance and deductible amounts owed by patients. Recognizing that circumstances may arise where an individual is unable to pay in full at the time of service, we have adopted a policy of screening requests for forgiveness of debt based on individual circumstances in relation to the Federal Poverty Guidelines. To do this, we must ask for certain financial information. All information will be held confidential according to our privacy policy.

If you think you may be eligible for Financial Assistance, please complete and sign the application **on the reverse side of this page** and provide as many of the following supporting documents as you are able:

1. Copy of pay stubs for the last 3 months from your last place of employment.
2. Verification of your current employment/unemployment status.
3. A copy of your tax returns (or W-2 forms, at least) for the previous year. Returns or W-2 forms for the previous 2 years are preferred.
4. Disclosure of available credit on all credit cards.
5. Denial from your county assistance program.

Please mail your Financial Application and all supporting documents to:
